The FISU Technical Committee for Volleyball will strictly enforce the FIVB Regulations regarding team uniforms

FIVB Sport Regulations (2013 edition)

Regulation A 3.1.7

“Undergarments must not be visible under the uniform (shorts or jersey) and in any event must be of the same color with the uniform”

Regulation 4.9.9

“Body suits or other similar garments should not exceed the length of the shorts or shirts. Medical supports may be authorized by the Referees, but body suits are not to be considered as medical supports.”

Medical supports will be approved only if a written letter is presented to the Jury member of the Control Committee prior to the start of the official match protocol.

The first incident will result in a “warning” recorded on the scoresheet. In case of a repetition the team will be sanctioned according to the present Regulations.
